

# Take a Stand for Children

**Show Your Support!**

**April is Child Abuse Prevention Month**, and an important time to recognize the critical role that communities play in protecting our children. In the past year, 760 children in Jackson County were confirmed victims of child abuse and neglect, to put that in perspective, that represents two children a day. Join us on Thursday, April 30th, at Vogel Plaza in Medford at Noon to stand for children and to find out how you can play a part to help create a safe community for our children. The goal is to have one person present for each of the 760 victims of abuse last year. Please feel free to forward this information and bring a friend.

**Attend this important event and wear **blue****

**Thursday, April 30th, 2009**

**at 12:00 Noon**

**in Vogel Plaza**

**On the corner of Main and Central  
Medford, OR**
