Neighborhood Leaders: LAUNCH our GOTV Campaign Sat. Oct 17

---

## Jackson County Neighborhood Leader Program

Ballots will be mailed on Friday, Oct. 16, and our Committee is asking you for a commitment:

**Next week, between Oct 17-25, Contact EVERY VOTER on your turf list and get a pledge to vote.**

This first week of voting is the most critical!

We're starting with phone calls, because it is best to speak directly with someone, but texting, postcards, and emails are all important as well.

Our program (meaning you and me) will be reaching out to **over 20,000 progressive voters** in Jackson County. Let's help make this the highest turnout ever.

Daily support will be available throughout the campaign by contacting your Community Leader or by e-mailing us at [nlp@jcdemocrats.org](mailto:nlp@jcdemocrats.org) Or find out your own answers in the Resources Section of our webpage at [jcdemocrats.org/nlp-menu](http://jcdemocrats.org/nlp-menu). Password **gotv2020**.

If you need more postcards and/or stamps, let your Community Leader know. If you are able to take an additional turf, let us know at [nlp@jcdemocrats.org](mailto:nlp@jcdemocrats.org)

**One more thing:** JC Democrats need Election Protection volunteers to take 4 hour shifts at the Elections Office in Medford from Oct. 27-Nov 3. For more info please see attachment, or go to Latest Updates on [NLP webpage](#) (password **gotv2020**).

(The above image of our postcard is attached, and can be emailed or texted, along with your personal message.)

We're all in this together . . .
