Getting out the *BLUE* vote
Jackson County Democrats

Dear Neighbor and Fellow Voter,

I'm writing letters because I'm worried for my children's future. The Oregon GOP wants to revoke reproductive freedom, LGBTQ rights, and vote by mail. We need to stand for our freedoms. That's why I'm voting in the Oregon Primary May 21. Will you pledge to join me and cast your own ballot?

Please **VOTE EARLY**. We want every vote to get counted. Mail your ballot at least one week before Election Day or drop your ballot in your local Drop Box up until 8:00 PM on Election Day. The location closest to you: *Medford Library parking lot*

Please urge your friends, neighbors, and relatives to vote. They can check their registration at www.vote.org.

What's your reason for voting this year? Feel free to contact me to discuss it. And if you have questions about candidates or ballot measures, I'll do my best to get you the answers if I don't have them. Contact me at 541-601-2948.

I've enclosed a copy of our candidate slate card for your reference. **THANK YOU** for voting and recognizing that EVERY election matters!

Because I am paying for mailing this letter myself, it counts as a donation to the Jackson County Democratic Party, so this notification is necessary:
