GENERIC MESSAGES

I vote because I know that when Democrats turn out, we can win close local races – even in conservative areas.

I support Democrats because I'm looking for common sense and problem solving – not the culture wars of the far right.

I will vote in the Oregon Primary in May. I want to participate in choosing who will be on the ballot in November. It's not just about voting for president, it's about choosing who runs for US Congress and who will be on the ballot for the Democrats for statewide positions like Secretary of State and State Treasurer as well as candidates for the Oregon legislature."

I'm definitely voting in the 2024 elections. So much is at stake--not only in the presidential race, but all the way down the ballot.

Previous generations have had to stand up and defend democracy. Now it's our turn. That's why I'm voting in the 2024 elections. And it's also why I support Democrats.

The Oregon GOP wants to revoke reproductive freedom, LGBTQ rights, and vote by mail. We need to stand for our freedoms. That's why I'm voting in the Oregon Primary May 21.

Thank you for being a regular voter! I'm asking you to think of three people you know who might not be quite as regular in their habits – and encourage them to make their voices heard in 2024. It's up to Democrats to defend our democracy and preserve our freedoms!

I encourage you to vote for all races. And if you have questions, feel free to contact me at
