

Script for Going Door to Door

Feel free to adapt this to your own style. When going door to door, please observe appropriate public health recommendations if Covid is still a concern (wear mask, social distance, etc.).

Hi, is this _____? My name is _____. I'm your neighbor from _____ Street, and I'm a volunteer Neighborhood Leader with the Jackson County Democrats.

I wanted to thank you for being a voter, and I wanted to make sure you received your ballot for the May 17TH Primary Election.

IF **YES**: Great!

IF **NO**: It's probably in the mail. If you don't receive it in the mail by Wednesday, May 6th, call the **Jackson County Elections Office at (541) 774-6148.**

THEN: Do you usually drop your ballot off or put it in the mail? [***Tell the voter your Voting Plan, ie "I usually sit down with my housemate/spouse/partner at the kitchen table and fill out my ballot as soon as I get it. When we're done I drop them off at my county clerk's office on my way to work."***]

What's your Voting Plan?

Remember, your ballot needs to be turned in no later than 8 p.m. on Tuesday, May 17th.

The closest ballot drop box is _____ [see last page for list of locations].
I usually fill in my ballot and turn it in as soon as possible.

Then ask: Can we count on your vote this election?

Voting: Can we count on your vote in the May 17 th Primary Election?
Y = Yes N = No U = Unsure

That's great, thanks! We're asking folks to turn in their ballots as early as possible. That way you'll be taken off the call lists of the campaigns, and they can focus on people who haven't voted yet.

Have a great day! [END OF SCRIPT]

Enter your results in NLP Services as soon as possible!

Was this voter hostile or did they say they were not Democrats or were not planning to vote for Democrats? If so, check the code Our Supporters: NLP Hostile.

Enter data after every time you go out to canvass. If you don't enter the data, your efforts won't count.

We've created a video training on how to access your voter list and how to enter your voter contact results, it may be found at this link:

**NOTE TO NLS WHEN ENTERING RESULTS IN
NLP SERVICES**

The gold star by the voter's record in NLP Services tells you the person voted in this election. The other information is this voter's voting record.
