HOW SECURE ARE THE BOXES?

Jackson Co. Elections Office exercises great precaution in the security of our drop boxes. Each box has at least two video surveillance cameras recording all activity in the vicinity 24 hours a day. Ballots are never removed from the boxes, or transported to the Election Office, unless TWO people are present--one Democrat and one Republican.

HOW OFTEN WILL THE BOXES BE EMPTIED?

Just after ballots are mailed, pickup will be occasional (e.g., every 2nd or 3rd day). As volume picks up, however, pickup increases to daily and then 2x daily towards the end.

HOW CAN I VERIFY THE STATUS OF MY BALLOT?

Contact the Elections Office using the info below. (They are very good about answering the phone.) You can also verify ballot status online. Go to www.oregonvotes.gov.
