The Jackson County Democrats seek board candidates who want to be of service to their community, who will work for the greater good, and who will respect the U.S. and Oregon Constitutions. They must respect the separation of church and state, and be well aligned with our party's values, particularly regarding Education, Good Governance, Criminal & Social Justice, and Science & Technology. [Our party platform](#) will tell you more about our positions on these issues. Following are our endorsed candidates (indicated in [blue font](#)). Be sure to get your ballot in by 8 pm on Tuesday, May 20!

Jackson County Library District Board

In the past several years, our library board has been under attack by the far right. We are looking for candidates who support the freedom to read and access to library services by every resident of Jackson County. Read the candidate statements in the Voter Pamphlet carefully and choose wisely! Contact us at 541-858-1050 if you would like to discuss things. A volunteer will call you back.

See additional board races on next page

NOTE: There are likely many candidates on the ballot who align with our democratic values, but nevertheless did not seek a party endorsement, especially if they are running unopposed. Call us at 541-858-1050 if you have questions, and a volunteer will get back to you.
